REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Union County High School had a great year and lived our theme of "First Year, First Impression, and First Class" each day. We were extremely proud of our students and of all their accomplishments this year. We felt support from our School Board, District Office and community all year. Our Senior Class earned scholarships in all areas of our school program totaling over \$2,239,169.00. Drama produced two more extraordinary plays. Our band performed extremely well at Disney World this past spring and our Army JROTC Unit maintained their "Honor of Distinction" status. We had a contingent of 12 students to attend Boys and Girls State. We provided incentives for our students for exceptional attendance, no tardies, and academic progress. 76 juniors participated in our SAT tutorial class and all of our tenth graders took the PLAN test.

We initiated a Ninth Grade Academy with a ninth grade principal, counselor, and administrative assistant committed to enhancing the first year of high school for our ninth graders. Orientation went well in the fall and our teamwork with teachers and students went exceptionally well. Our ninth grade staff and all counselors along with our parents did a great job with Individualized Graduation Plans this spring. With small group counseling, extra efforts were made to improve the overall experience in high school for our ninth graders.

We hired a full-time Career Development Facilitator this year. She has increased career awareness, coordinated our Career Quest trip and organized our Ed-Op day for over 225 seniors to meet with colleges and universities in Spartanburg. She worked closely with our ninth graders and has coordinated the work with middle school CDF's. Our guidance department had a great year and met with a consultant to improve and enhance their services to our students and community.

We continue to work on our pacing guides and benchmark testing program for all core courses. Our focus this year will be on academy time for improving and enhancing all learning opportunities at UCHS. We will also develop small learning communities to assist in improving our teaching and student learning. We seek to improve our graduation rate and continue to increase our End-of-Course and HSAP scores for all students. Our goal is to provide an outstanding education to our students through teaching excellence and enhanced learning opportunities at Union County High School.
